Por orden del señor Presidente de la Cámara de Diputados, cúpleme poner en su conocimiento la petición del Diputado señor JORGE GUZMÁN ZEPEDA, quien, en uso de la facultad que le confieren los artículos 9° de la ley N° 18.918, orgánica constitucional del Congreso Nacional, y 308 del Reglamento de la Cámara de Diputados, ha requerido que se oficie a US. para que, al tenor de la solicitud adjunta, informe a esta Cámara sobre los plazos dispuestos para modificar anticipadamente las medidas establecidas en el artículo 61 del Plan de Descontaminación Ambiental Talca-Maule, en particular la suspensión de actividades físicas y deportivas al aire libre y al interior de gimnasios en el nivel de "alerta", "pre emergencia" y "emergencia", en relación con las categorías de calidad del aire, disponiendo todas las gestiones administrativas que resulten procedentes para la más pronta modificación de esta disposición. Asimismo, tenga a bien recibir copia de las 2008 firmas de ciudadanos de la Región del Maule que han suscrito la petición de que el Gobierno de Chile actualice el PDA Talca-Maule y deje de prohibir y sancionar a las personas por practicar deportes.

Me permito hacer presente que, si la respuesta a este oficio contuviere materias reservadas o secretas, deberá señalarlo en forma destacada e indicar el fundamento legal de tal calificación, en cumplimiento a lo ordenado en el inciso segundo del artículo 8° de la Constitución Política de la República.

Lo que tengo a bien comunicar a US., conforme a lo dispuesto en las señaladas disposiciones.

Dios guarde a US.

A LA SEÑORA MINISTRA DEL MEDIO AMBIENTE

OFICIO

DE: SR. JORGE GUZMÁN ZEPEDA
H. DIPUTADO DE LA REPÚBLICA

A: SRA. MARÍA HELOÍSA JUANA ROJAS CORRADI
MINISTRA DEL MEDIO AMBIENTE

ANT.: OF. ORD. MMA N°222771, de 19 de julio de 2022.

CONSIDERANDO:

1. Que, mediante Decreto Supremo N°49, de 2015, se estableció el Plan de Descontaminación Atmosférica para las comunas de Talca y Maule (en adelante, PDA Talca-Maule).
2. Dicho plan regula, en el Capítulo VII, el Plan Operacional para la Gestión de Episodios Críticos de contaminación atmosférica, implementable entre el 1° de abril y 30 de septiembre de cada año, estableciendo la clasificación de las categorías de calidad del aire.
3. En efecto, el artículo 57 del PDA Talca-Maule distingue entre las categorías de “bueno”, “regular”, “alerta”, “pre emergencia” y “emergencia” en relación con la calidad del aire y según los criterios técnicos que ahí se establecen.
4. A su turno, el artículo 61 del PDA Talca-Maule regula las medidas de prevención y mitigación de estos escenarios, estableciendo, entre otras medidas, que en aquellos días para los cuales se pronostique un episodio crítico en el nivel “alerta” se suspenderán las actividades físicas y deportivas al aire libre y al interior de gimnasios después de las 19 horas. En tanto, en el nivel “pre emergencia” y “emergencia” se dispone que se suspenderán estas actividades durante todo el día.
5. Todo lo anterior es sin perjuicio de la letra f) del artículo 61, que establece la facultad del secretario regional ministerial de educación de suspender actividades físicas y deportivas al aire libre y al interior de gimnasios para la totalidad de la comunidad escolar de la zona saturada en aquellos días en que se declare un episodio crítico en la calidad del aire.
6. Sobre las prohibiciones señaladas en los puntos anteriores, cobra relevancia el hecho de que la suspensión de actividades físicas y deportivas al aire libre y al interior de gimnasios se consagra como una norma imperativa, no

disponiéndose un margen de apreciación por parte de la autoridad competente para evaluar o matizar la implementación de dicha medida, como sí ocurre, por ejemplo, en el caso de la letra f) del artículo 61 previamente citado.

7. El PDA Talca-Maule es el único en el país que prohíbe la práctica deportiva y faculta a la Seremi de Salud para sancionar a las personas y clubes deportivos por permitir la práctica de deportes en episodios de alerta, pre-emergencia y emergencia ambiental. Mientras en el resto del país, se "sugiere" o "recomienda" no practicar deportes, en Talca y Maule se prohíbe y sanciona.
8. Con fecha 17 de mayo de 2022 se sostuvo una reunión entre la Ministra del Medio Ambiente y este diputado, en la que se abordó la solicitud de trabajar de forma urgente y prioritaria en las modificaciones del PDA Talca-Maule, y así tener a la brevedad una actualización normativa que permita cuidar nuestro medioambiente y no perjudicar a los miles de niños, jóvenes, adultos y personas mayores que disfrutan de la práctica del deporte en las comunas de Talca y Maule.
9. Que se ha puesto a disposición de toda la comunidad de Talca y Maule la página web www.queremoshacerdeporte.cl, donde jóvenes, adultos y personas mayores, integrantes de organizaciones deportivas, socios de gimnasios y, en general, ciudadanos interesados en la práctica del deporte, libremente han firmado la petición para solicitar la urgente modificación del PDA Talca-Maule.
10. Que, hasta el momento, a través de esta plataforma web se han reunido más de 2008 firmas para solicitar al Gobierno de Chile la más urgente modificación del PDA Talca-Maule y que deje de prohibir y sancionar a las personas por practicar deportes.
11. Que, se ha recibido por parte de este diputado el oficio indicado en el ANT., mediante el cual se señala que mediante resolución exenta N°254/2021 se dio inicio al proceso de revisión del PDA Talca-Maule, el cual se encuentra en etapa de elaboración de anteproyecto.
12. Junto con lo anterior, el oficio en referencia señala que *"entendiendo la necesidad de la comunidad de realizar actividad física y deportiva para el adecuado desarrollo de su salud, se realizarán las gestiones administrativas procedentes, que permitan modificar esta medida en particular en forma acotada y anticipada"*.

13. Que, valorando lo anterior, estimamos necesario contar con mayor certeza sobre las medidas que se tomen para modificar estas disposiciones de forma anticipada, resultando relevante disponer de plazos ciertos para tal efecto.

En mérito de lo anterior, por las razones expresadas y en ejercicio de las facultades que me confiere el ordenamiento jurídico,

SOLICITO:

1. Se me informe sobre los plazos dispuestos para modificar anticipadamente las medidas establecidas en el artículo 61 del PDA Talca-Maule, en particular, sobre la suspensión de actividades físicas y deportivas al aire libre y al interior de gimnasios en el nivel de “alerta”, “pre emergencia” y “emergencia”, en relación con las categorías de calidad del aire.
2. Se dispongan todas las gestiones administrativas que resulten procedentes para la más pronta modificación de esta disposición.
3. Tenga a bien recibir copia de las 2008 firmas de ciudadanos de la Región del Maule que han suscrito la petición de que el Gobierno de Chile actualice el PDA Talca-Maule y deje de prohibir y sancionar a las personas por practicar deportes.

JORGE GUZMÁN ZEPEDA
